This Is Our Heritage

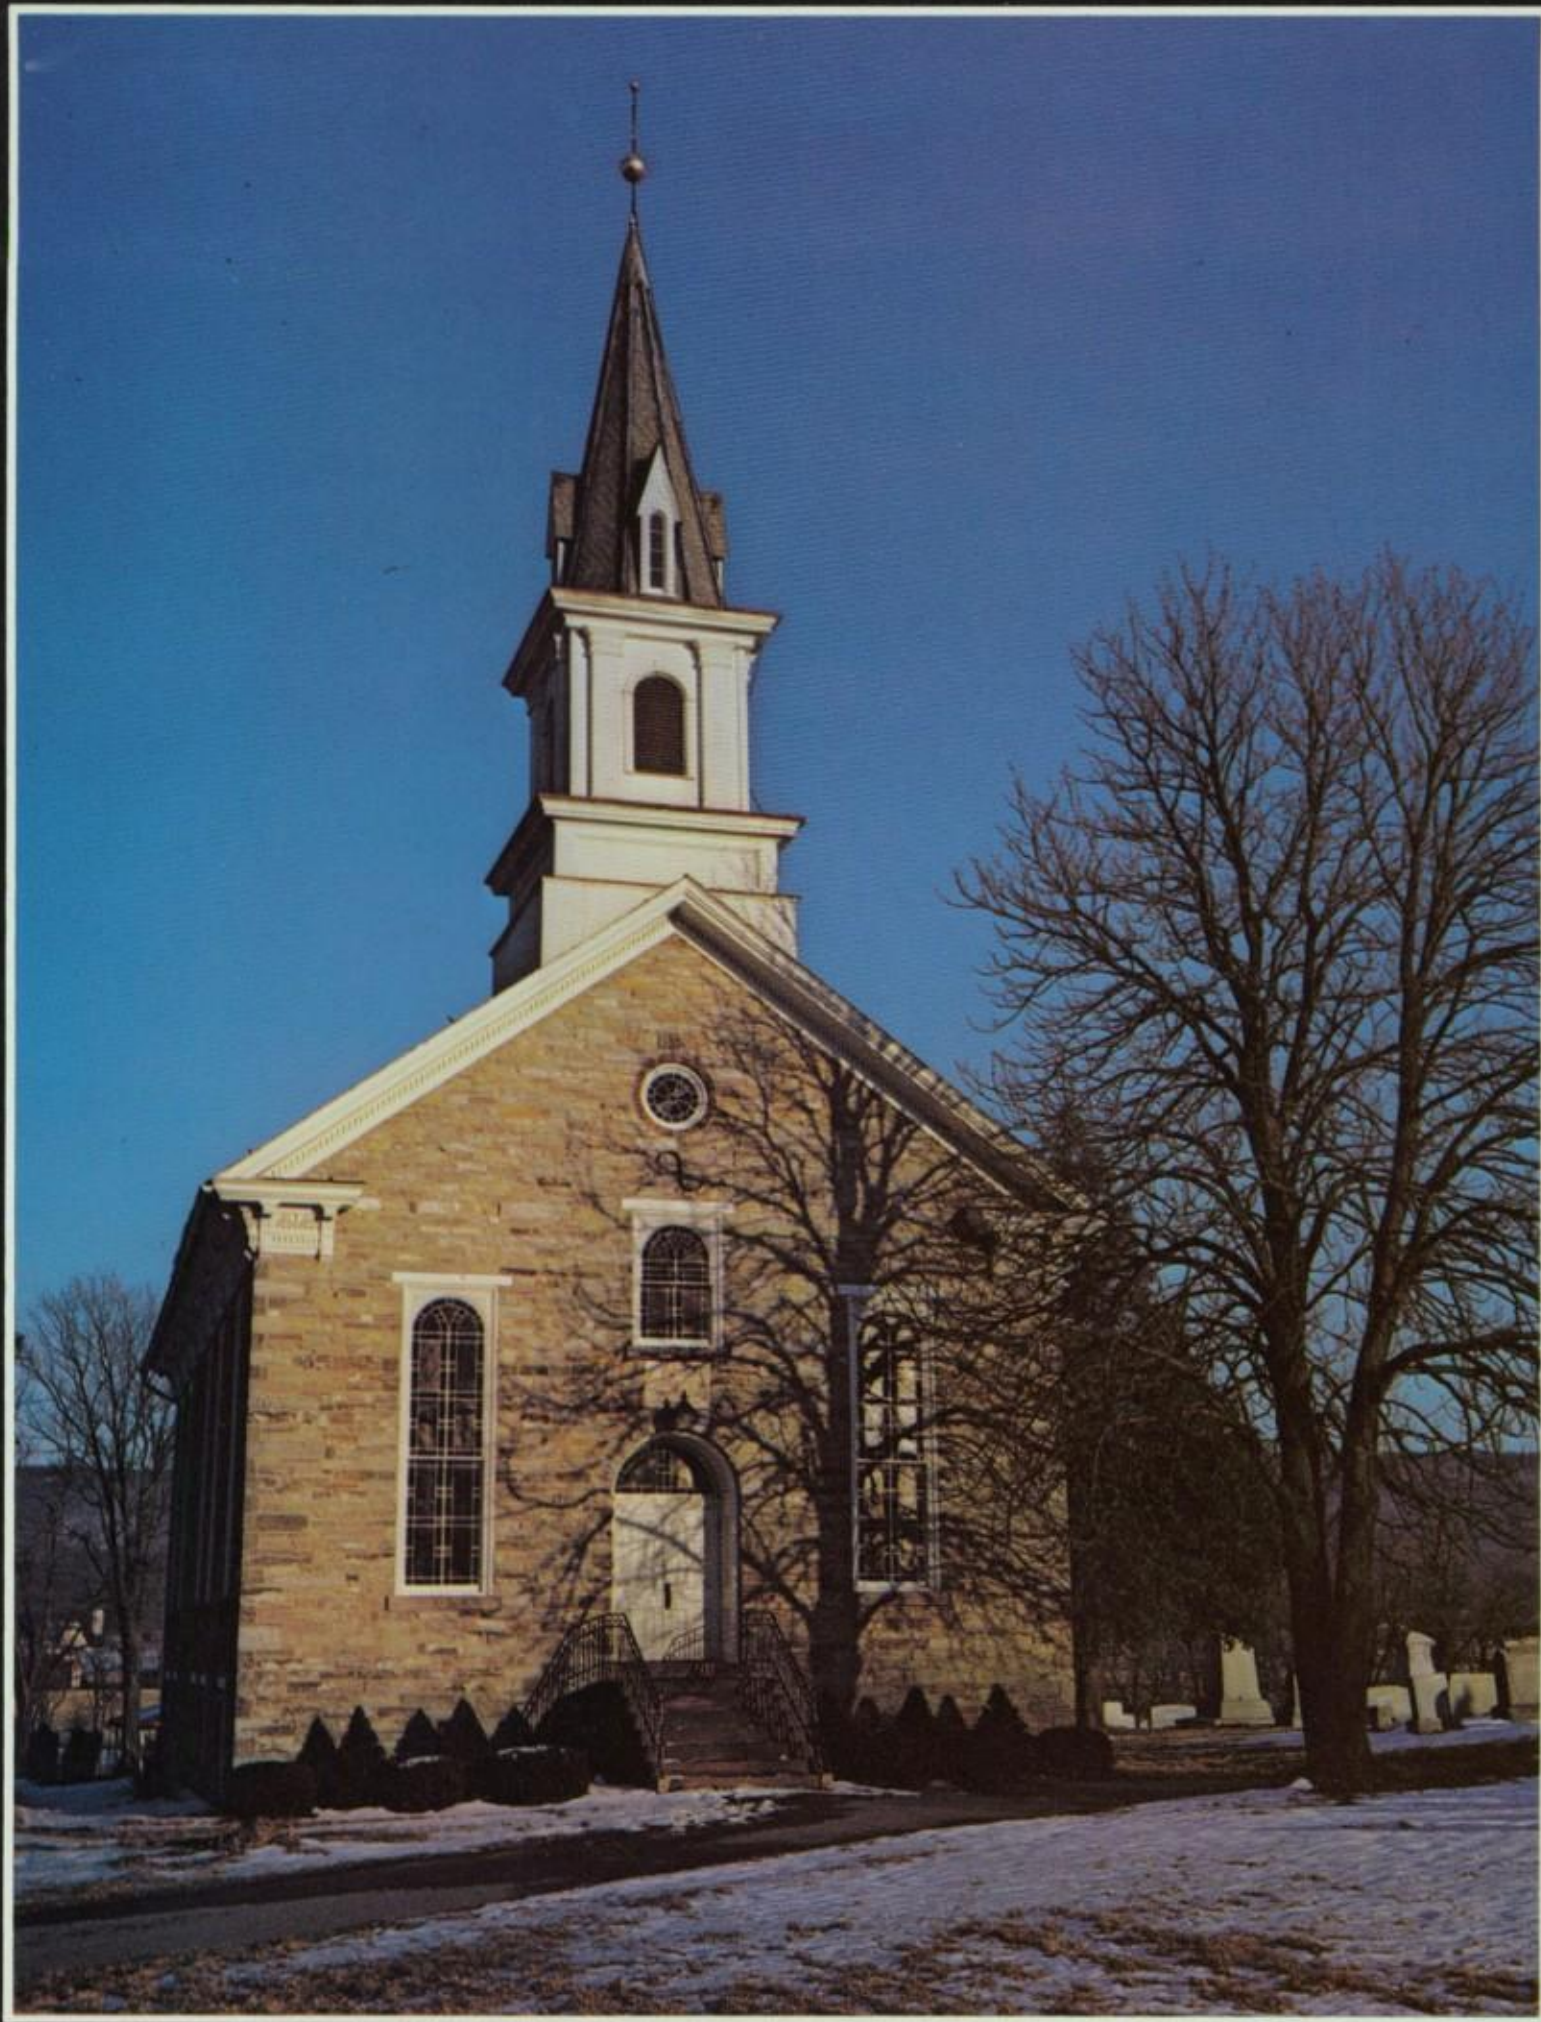

Fort Zeller Museum, Newmanstown

One of the few and rare remaining examples of early Eighteenth Century Germanic Architecture in the Western Hemisphere is Fort Zeller. It has a mortar covered limestone exterior, two and a half feet thick, with a quaint sandstone arch over the channel of an ever-flowing spring. The central chimney and massive Queen Anne fireplace, twelve feet wide, are reminders of a way of life long past. A steep stairway leads down to the spring used for refrigeration and as a reservoir.

The steep pitched roof at one time bore handmade beaver tail tiles of red native clay. The door posts, five and one half feet high, are single sandstones bearing carved handsome ornamentation. Pegged together with wooden pins are the double-inch boards making up the unique panelled door. Imbedded in the wall to the right of the door is the date stone, bearing the date 1745 and the name Henrich Zeller.

Eugene R. and Sylvia Zeller Hoffman, the present owners of Fort Zeller, know a great deal of the legends surviving about this house and its occupants of past centuries.

St. Paul's United Church Of Christ, Millbach

George and Maria Miller donated the land to the church in 1747. A log school and church were built there under the founder, Rev. John Conrad Templeman. In 1751 a small stone church was built and later torn down. The present stone church was built in 1790. St. Paul's was remodeled in 1852. The Lutherans at this time were given the right to worship and assist in the remodeling.

One of the outstanding features of the church, a chandelier, was given by Thomas and Marie (Steward) Becker, in 1891, in their loving memory of Howard Samuel and Frank Steward Becker who had died of scarlet fever. State Senator Clarence Becker was one of their sons also. The light was converted to electric from oil after it fell down at a special service. In this historic church spirits are still being refreshed by means of prayer and meditation.

A Place To Remember

A Part Of Our Historical Achievements

Alexander Schaeffer Farm Museum, Schaefferstown

In the early Eighteenth century a native stone farmstead was developed. This Swiss Bank House, built in 1737, has accommodations for a still in its cellar. A still usable squirrel tail bakeoven is built in the kitchen. Inside the Swiss Bank Barn, early farm tools and field equipment are displayed. In the Germanic colonial farm garden one can learn a lot about the culture of flowers, vegetables, and herbs.

The museum allows one to tour the grounds at one's leisure, and to enjoy all the exhibits and demonstrations of an era of traditional Pennsylvania Dutch folklore.

Tulpehocken Manor Plantation, Myerstown

Tulpehocken Manor Plantation had its beginning in the early 1700's. Christopher Ley, originally from Philadelphia, took up a tract of land. These 1,000 acres were a part of a grant left in the last will of William Penn.

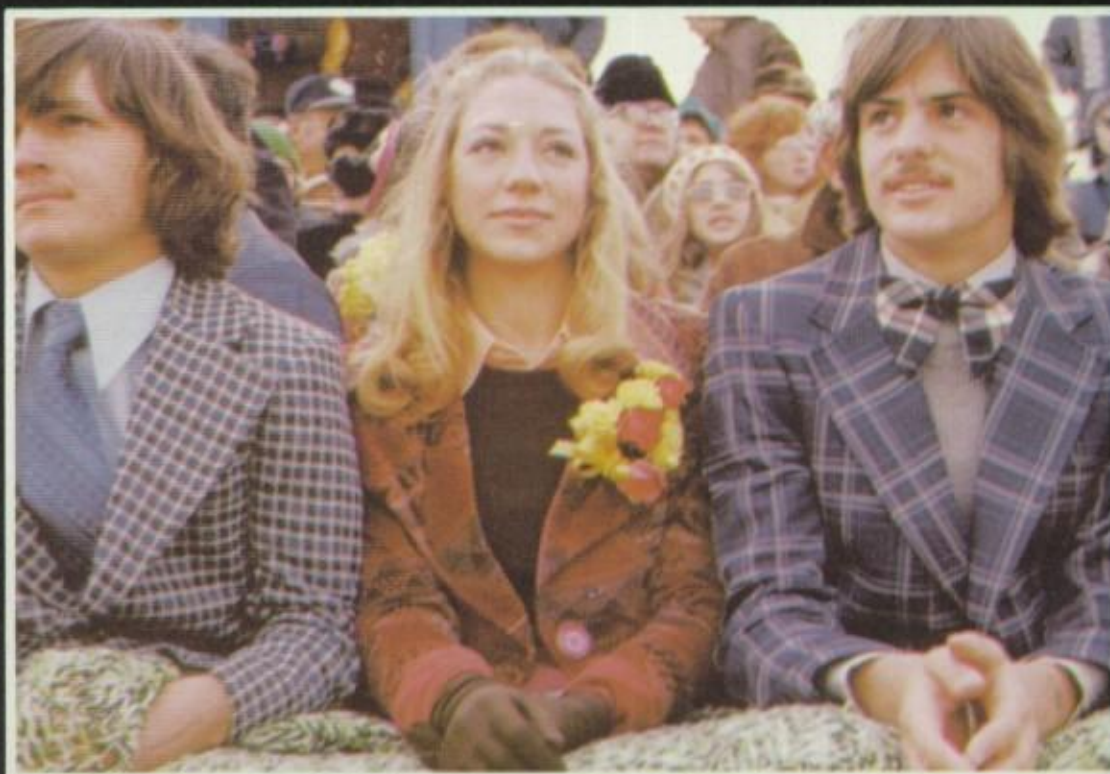

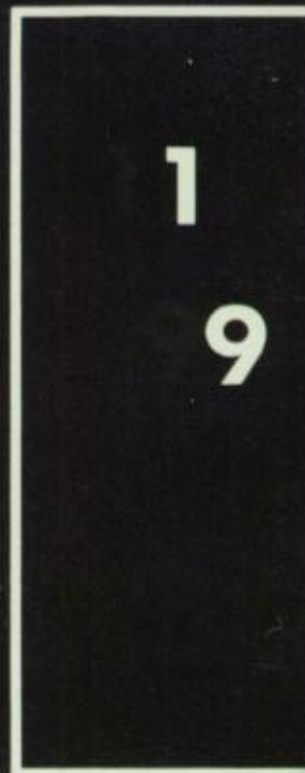

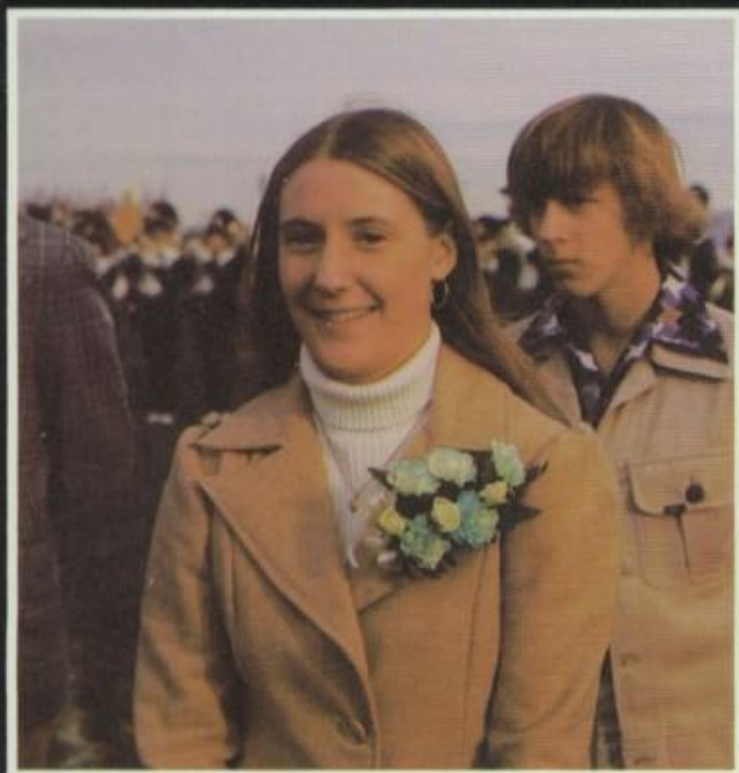

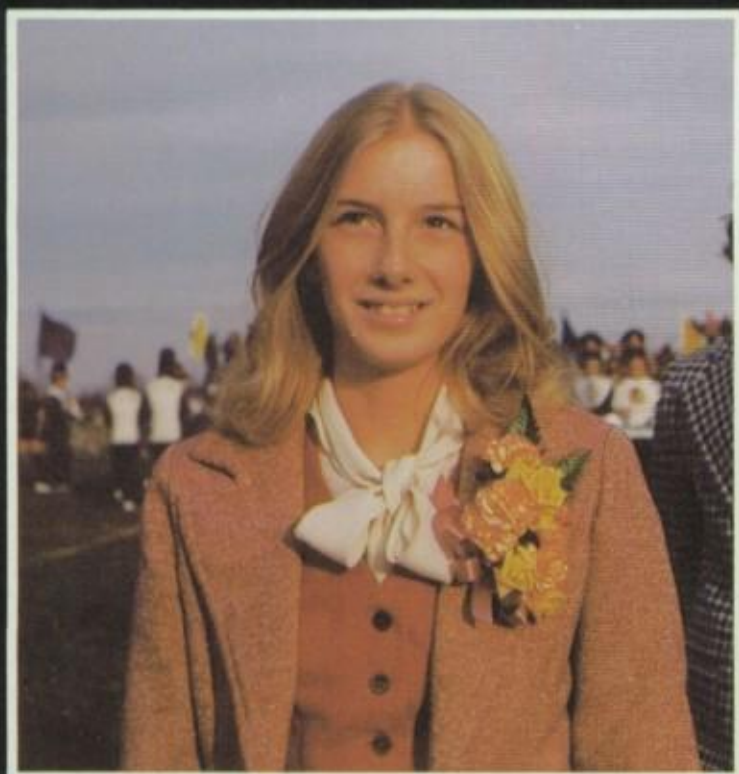

In 1769, Christopher Ley's son, Michael and his wife, Eva Magdalena Lauer Ley, built an eight room stone Colonial home of Germanic architecture.

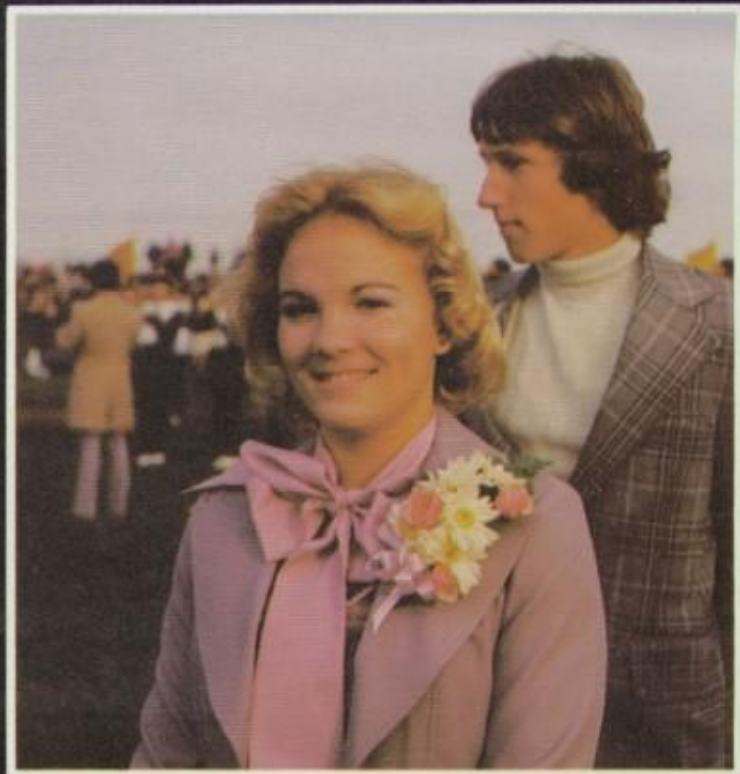

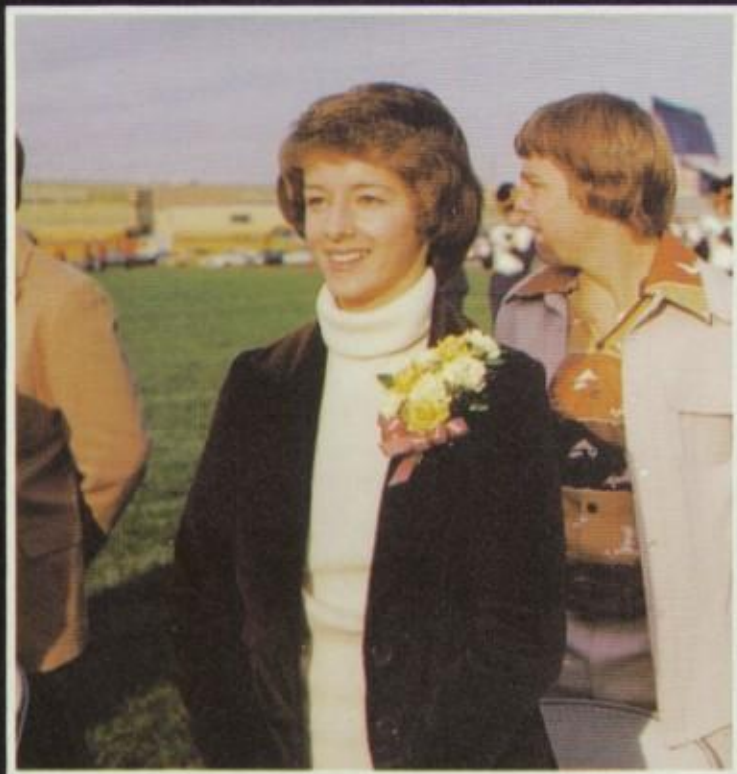

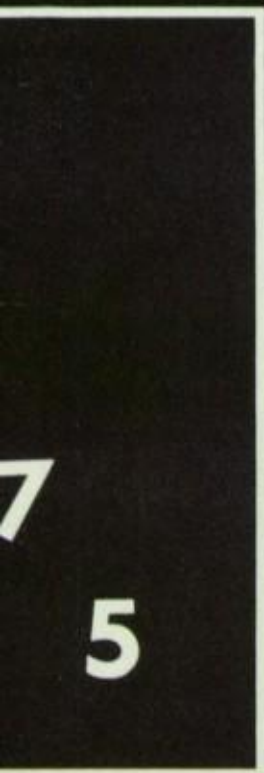

George Washington visited the house three known times: once to hunt and rest, and twice after that to inspect the locks being constructed on the property for the Union Canal.

Conrad Loos bought the Ley plantation land in 1834. His granddaughter, Eliza Sherk Ulrich, and her husband, Samuel Ulrich, began to enlarge and restore the manor from 1883-1885. This changed the eight room home into a twenty-seven room Victorian manor house, with spacious porches and a mansard roof. An indoor cistern was placed in the mansard room on the third floor. It was used for indoor water supply until 1956.

The plantation remained in the Ulrich family until 1960, when it was sold to John S. Nissly, his daughter, Esther E. Nissly, and James H. Henry. The present owners are fast restoring the interesting features that once constituted a vast Colonial Plantation.

Heritage In The Making

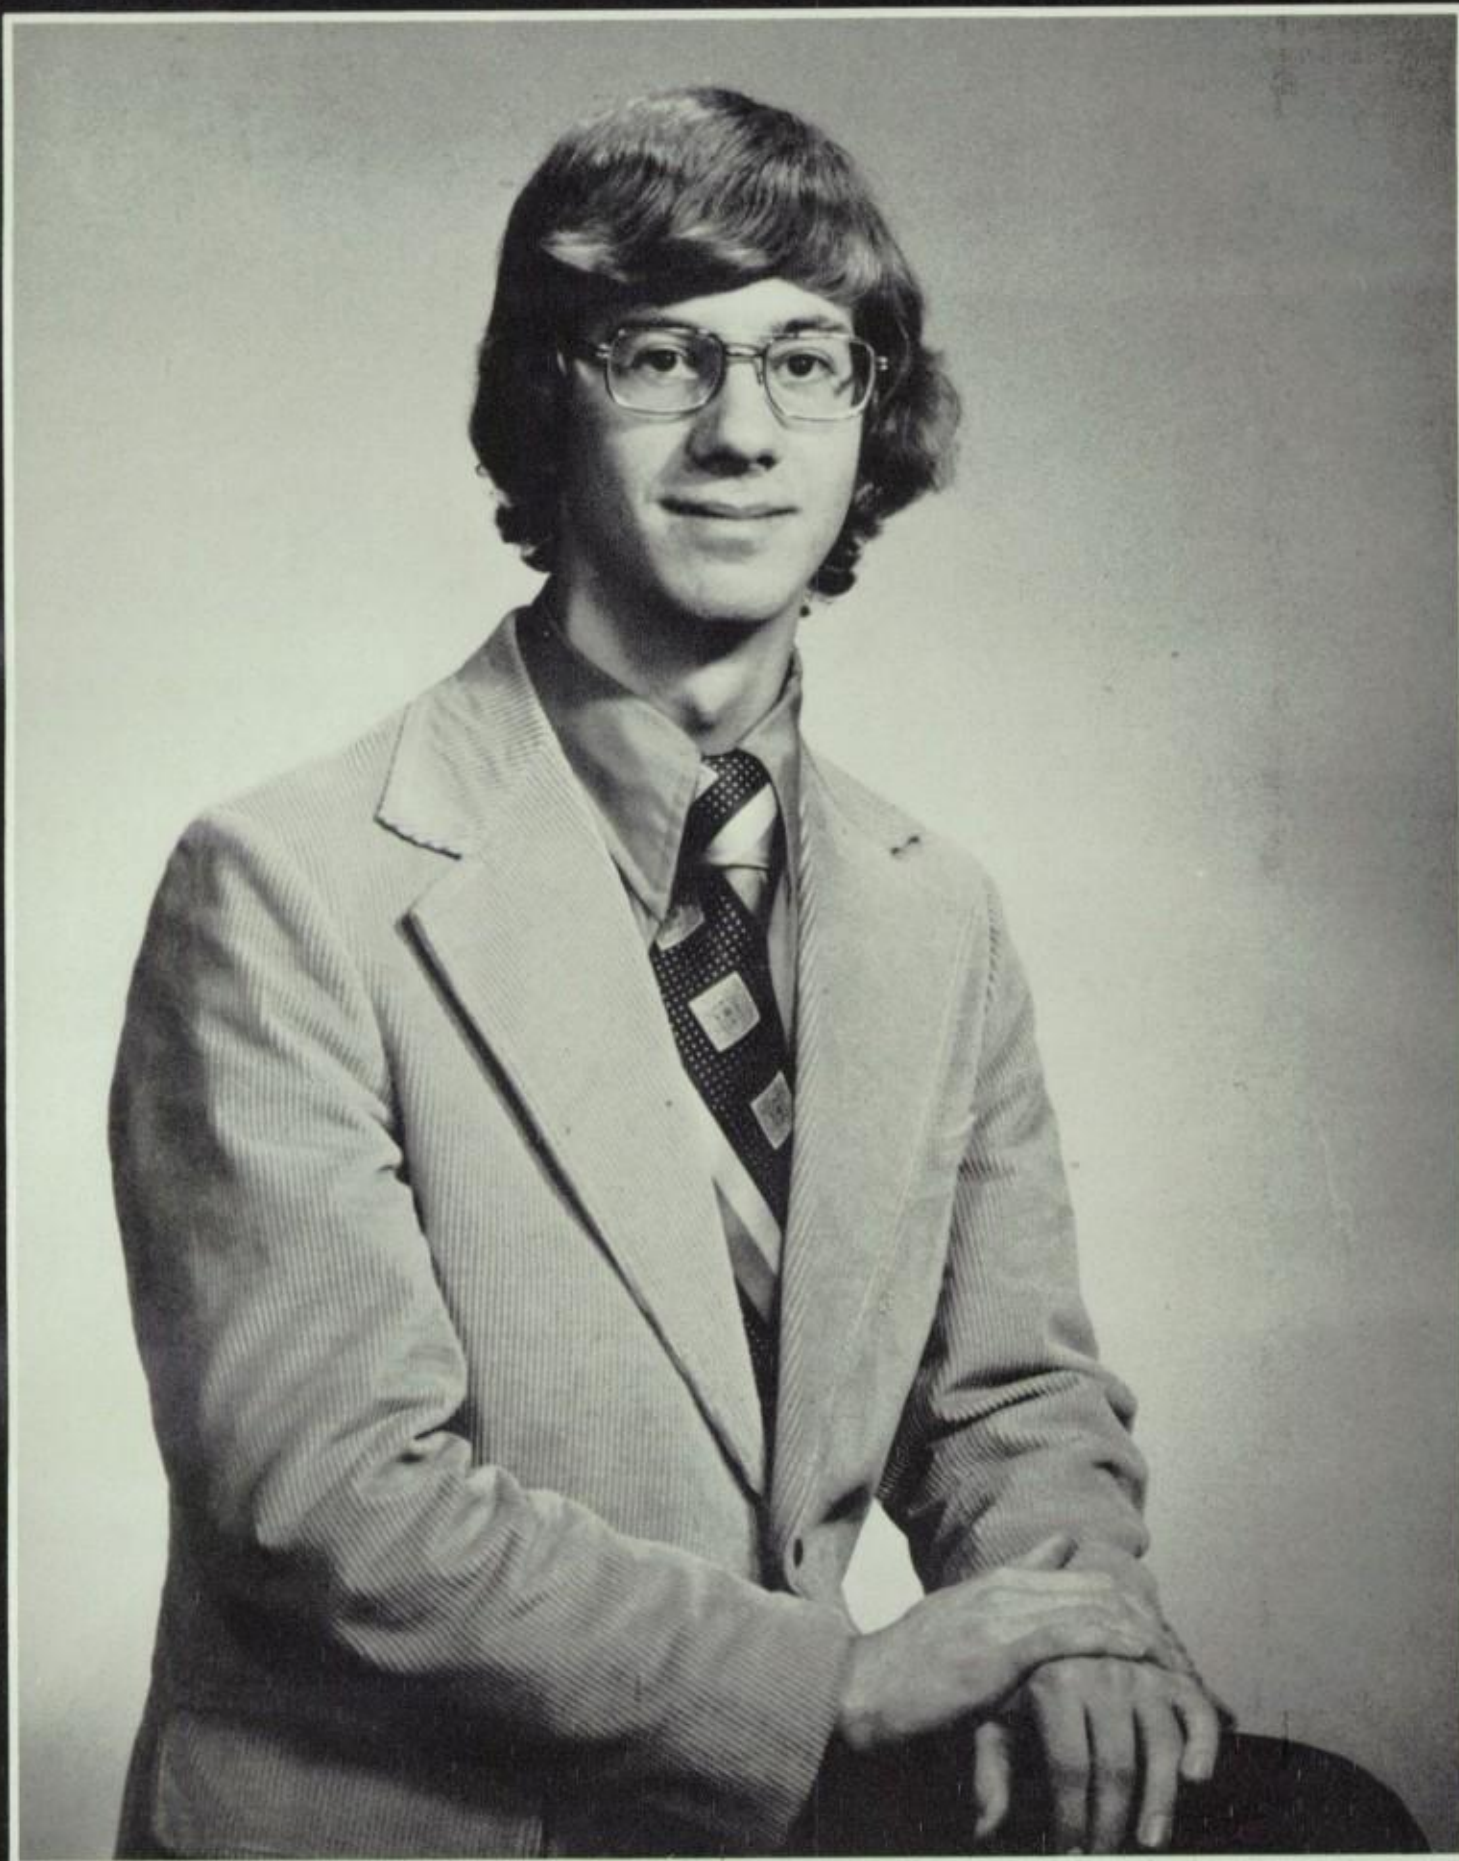

Nancy Doxtater

Miss Nancy Doxtater, Kleinfeltersville, brought home to ELCO the "laurels of shorthand" from the National Future Business Leaders of America Convention in Miami Beach, Florida, by capturing the title National Junior Stenographer.

Nancy's climb to the top began in the Spring of 1975 with shorthand competition on the regional and state levels. National competition was held in June, 1975, among first-place winners representing each state and territory of the United States.

Receiving awards is not a new experience for Nancy: Outstanding Shorthand and Outstanding Typist Student at ELCO, a framed citation from the School Board, a sealed document from the honorable Senator Manbeck, and a letter from President Ford.

Timothy Cover

Eastern Lebanon County High School is proud to have in their midst a person with outstanding ability in the field of scholastic achievement and with superb accomplishments in extra-curricular activities.

During Tim Cover's junior year he took the Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test which brought him semi-finalist status. This was achieved by receiving a high score classified with the top one-half percent of the nation. As a finalist, Tim displayed excellent performance on the College Board's Scholastic Aptitude Test and demonstrated academic standing.

Tim was the piano accompanist for the All-State Chorus in 1976 and for the Region III Chorus in 1975. Also in 1975, Tim accompanied the Southern District Chorus on both piano and organ, as he again did in 1976 for the Lancaster-Lebanon County Chorus. His talent, appreciated by his fellow peers, is displayed in the ELCO Choral Ensemble of which he is accompanist. Various school functions have been regaled by his serene music.

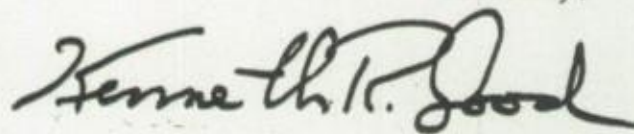

School Board And Administration

We are particularly fortunate to live in an area of our Nation that is rich with symbols of early historical heritage. It is indeed very fitting that the Class of 1976 has dedicated a portion of this yearbook to the birthday of our beloved country.

May the celebration of our country's two hundredth anniversary inspire each of us to a reaffirmation to the ideals of freedom and liberty that have made our country great.

Best wishes to the members of the Bicentennial Class of 1976.

Sincerely,

Kenneth R. Good
Superintendent

Deborah Zartman

The Eastern Lebanon County High School Business Department has again been fortunate to superlatively instill its knowledge into its students, namely Miss Deborah Zartman.

Debbie, a native of Myerstown, has been an active member of Future Business Leaders of America for the past two years. As a senior, her long hours of dedication have culminated into being awarded the state title for Senior Clerk Typist. In order to receive this first prize award she had to begin in regional competition, which was held at Annville Cleona High School in March of 1976. In May she went to state competition at the Lancaster Host Farms. Winning on the state level has enabled Debbie to go to the national competition held in Washington D.C. We wish her the best of luck in her future endeavors.

Valentine Pageant

"This Magic Moment" was the theme of the 1976 Valentine Dance and Pageant held on February seventh. The court, chosen by the student body, consisted of Frank Nolt, king; Nancy Ondrusek, queen; Tim Seager and Anne Blatt, honor attendants; Mike Ludwig, Nancy Doxtater, Ken Reich, Debra Fasnacht, Eric Ebling, Kathy Hottenstein, Lynn Ziegler, Lynne Karsnitz, Paul Pfautz, Brenda Miller, Rick Griffie, Debbie Shade, Keith Marks, Pat Stoudt, Tony Kapp, and Patti Yoder, attendants. The pageant also included flower girls Amy Hoffman and Jennifer Miller; and trainbearers Brian Bucher and Brian Alwein.

Anna Yeakel sang the theme song "This Magic Moment" changed to Steve Tice's, her accompanist's, own version. Anna also sang "I Honestly Love You" and was accompanied by Ann Nolt.

Lisa Krall, Mistress of Ceremonies, called various clubs to the stage to present their gifts to the court.

With a delay, the dance began featuring "Red Eye." The king, queen, and honor attendants led the first dance. The rest of the court joined in on the following song. They got things stepping for the rest of the students.

Blame For This Yearbook . . .

Where's the cropper? . . . Job number 01127 . . . ELCO - our second home . . . Long hours . . . I can't crop this! . . . Who drove? . . . Where's that layout? . . . The Eisen Shuffle . . . All night darkroom sessions . . . What do you think? . . . Anybody got any matches? . . . Donna Behney and Brenda Miller report to Room 119 . . . Where are my keys? . . . Faculty pictures will be taken again! . . . Large coffee, heavy on the cream and light on the sugar, and a glazed donut . . . Will you come here a minute? . . . Konski!!! . . . Don't do that! . . . HELP!?!?

The 1975-76 Sigma Staff had the great pleasure of putting together the Bicentennial Yearbook. This yearbook is a complete record of happenings from September to June. It also includes local historical sites pertaining to our by-gone days. Much has been put into this book including thought, love, and endless frustration.

After 12 months, nine thousand, eight hundred dollars, hard work, and hundreds of pictures, we the staff of the 1976 Sigma are proud to present this yearbook of lifetime memories to you. We hope that you may look back upon this year with a chuckle and maybe even a tear.

Graduation

It's graduation and it's unbelievable that I'm here. They'll call my name in a few minutes, and I'll walk up to receive my diploma . . . where do I go from there? I've always had the security of the school routine and its activities, surrounded by the friends I was so familiar with. Now we'll all be going in different directions, and I wonder how long it will be before the memories that meant so much start to fade. After twelve years of this you would think I would be ready to move on, but I feel like I'm leaving a part of me behind. Maybe that's good though, because I really have changed in the four years that I've been here. Well, pretty soon they'll get to my name. Then I'll be up there, and it'll be all over. In a way, I guess everything's really just beginning.
